COMPETITION FORMAT AND RULES 3X3 BASKETBALL

As of 23 JUN 2014

Youth Olympic Competition Format

The Youth Olympic programme features four events, with two team competition events: Men and Women, and two individual events: Men's Dunk Contest and Women's Shoot-out Contest.

Team competition events

Both events have the same format and rules. Twenty teams are divided into two pools of 10 teams. Each team plays every other team in the same pool. The top eight ranked teams in each pool proceed to the L16 finals, while the remaining four teams are eliminated from the competition. The winners of the L16 final games proceed to the quarterfinals and the losers are eliminated. The winners of the quarterfinal games proceed to the semifinals and the losers are eliminated. The winners of the semifinal games play in the gold medal game and the losers play in the bronze medal game.

The rules of 3x3 Basketball are as follows: A team consists of four players, three players on the court, and one substitute. The game is played on a half court, on one basket, in one period of 10 minutes playing time. Most of the FIBA Basketball rules regarding scoring and fouling are valid. The first team to score 21 points (or more), or the team that is leading the game after the regular playing time, is the winner.

The scoring rules allow one or two points for a successful shot. One point is awarded for shots from the free throw line and for shots from all positions inside the arc (within the 6.75 metres line). Shots behind the arc (beyond the 6.75 metres line) are awarded two points.

The team must attempt a shot for a field goal within 12 seconds.

Substitution is permitted when the ball becomes dead and the game clock is stopped.

One 30 seconds timeout is granted to each team.

A team is in a team foul situation when it has committed seven fouls. Once a team has reached 10 team fouls, any foul will be considered technical. To avoid confusion, players are not excluded based on the number of personal fouls. A player committing two unsportsmanlike fouls will be disqualified from the game by the referees and from the event by the organiser.

A team shall lose the game by forfeit if at the scheduled starting time the team is not present on the playing court with three players ready to play. In case of a forfeit, the game score is marked with w-0 or 0-w ("w" standing for win).

A team shall lose by default if it leaves the court before the end of the game or all the players of the team are injured and/or disqualified. In case of a default situation, the winning team can choose to keep its score or have the game forfeited, whilst the defaulting team's score is set to 0 in any case.

Men's Dunk Contest

There are two phases: qualification and final, with the final consisting of two stages. There are two rounds in the qualification phase, and two rounds in each of the final stages. Up to three attempts (dunk) are allowed in each round. Maximum time for a dunk attempt is one minute (subject to flexibility). The first successful (scored) dunk is judged by a jury of three judges who award marks from 5 to 10. The sum of the judges' marks is the points scored for the round. In the qualification phase the sum of points scored in the two rounds is used to calculate the ranking. In the final phase the sum of points scored in the two rounds is used to calculate the ranking for each stage. Players receive a score of zero points for an unsuccessful dunk. Each round ends with the first successful dunk, or with a round score of zero points if all three attempts are unsuccessful.

All players from all participating teams are allowed to register and participate in the qualification. The first four ranked players in the qualification will advance to the first final stage. The two players with the best scores (sum of points from two rounds) in the first final stage advance to the second final stage. The third ranked player in the first final stage is awarded the bronze medal. The player with the best score (sum of points from two rounds) in the second final stage is awarded the gold medal, and the runner-up is awarded the silver medal.

Qualification: The players start the first round in alphabetical order of their family name. The players start the second round in reverse order of their qualification first round rank (lowest score goes first) and if there is a tie by their family name. The players are ranked according to the number of points scored (sum of points from two rounds). If there are ties for qualifying positions, the tied players will perform further attempts until the ties are broken (four players designated).

First final stage: Four players earn points in two rounds. The points gained in the qualification are not considered in any final score. The players start the first round in reverse order of their qualification rank. The players start the second round in reverse order of their first round rank. The sum of the points scored in the two rounds is used to calculate the first final stage ranking. The two players with the best first final stage score advance to the second final stage. The third ranked player in the first final stage is awarded the bronze medal. In the event of a tie, two bronze medals will be awarded. If there are ties for qualifying positions, the tied players will perform further attempts until the ties are broken.

Second final stage: Two players earn points in two rounds. The points gained in the first final stage are not considered in the final score. The players start the first round in reverse order of their first final stage rank. The players start the second round in reverse order of their first round rank. The sum of the points scored in the two rounds is used to calculate the final ranking. The winner of the second final stage is awarded the gold medal and runner-up is awarded the silver medal. In the event of a tie for the gold medal, the players will perform further attempts until the ties are broken.

Women's Shoot-out Contest

All players from all participating teams are allowed to register and participate in the qualification. The top four ranked players in the qualification will qualify to the final. The winner of the final is awarded the gold medal, the runner-up is awarded the silver medal and the third ranked player is awarded the bronze medal. The players are ranked in each phase according to the number of points earned, then by the time used to complete all shots.

Qualification: The players start in alphabetical order of their family name. Each player shoots 10 balls within a time limit of 33 seconds from the top of the arc. Each basket earns one point. The players are ranked according to the number of points scored, and then by the time used to complete all shots. If there are ties for qualifying positions, the tied players will repeat the same procedure (10 balls in 33 seconds) until the ties are broken (four players designated).

Final: The players start in reverse order of their qualification rank and if there is a tie by their family name. Each player shoots 12 balls within a time limit of 33 seconds from four different positions with three balls at each position. The positions are located as follows: position 1 - at the baseline 45° angle right wing, position 2 - the top of the arc (same location as qualification), position 3 - at the baseline 45° angle left wing, position 4 - at the end line. Each shot scored from positions 1, 2 and 3 earns one point. Each shot scored from position 4 earns three points. The points gained in the qualification are not considered in the final score. The players are ranked according to the number of points scored, and then by the time used to complete all shots. In the event of a tie for the bronze medal, two bronze medals will be awarded. In the event of a tie for the gold or silver medal, the players will perform further attempts until the ties are broken.

Clarification of the standings

Item: 1

Summary:

1. Number of wins (or win ratio in case of unequal number of games in inter-pool comparison)
2. When only two teams are tied --> Head to head confrontation
3. If 3 or more teams are tied (or two teams who have not yet the head to head confrontation), points scored on average (without considering winning scores of forfeits) If teams remain tied, the team(s) with the highest team seeding win(s) the tie-breaker. The team seeding is based on U18 3x3 Federation Ranking.
