COMPETITION FORMAT AND RULES CYCLING

As of 23 JUN 2014

Youth Olympic Competition Format

There are three events in the Cycling competition at the Youth Olympic Games: Women's Team Event, Men's Team Event and International Mixed Team Relay.

NOCs can enter up to two men and two women for a total of 32 men's and 32 women's teams, 128 competitors in total.

Women's and Men's Team Event:

The teams, composed of two competitors, compete in five events: Mountain Bike - Cross-country Olympic, Mountain Bike - Cross-country Eliminator, BMX, Road - Time Trial and Road - Road Race. Both competitors on the team must start in the Road Race. Each team member must also start in two of the remaining four events, but only one team member can start in each event. In each event, points are allocated to the competitors based on his/her ranking in the race. The team with the highest number of points after five events is the winner.

The format within each discipline is almost the same as at the Olympic Games, using the usual bicycles for each discipline, with the exception of the Time Trial for which the same bike as the Road Race will be used. Race distances are much shorter for Mountain Bike (Cross-country Olympic) and Road Race than at the Olympic Games.

Mountain Bike - Cross-country Eliminator (XCE):

The Mountain Bike - Cross-country Eliminator is a direct elimination event.

- Seeding:
 - In order to avoid the fastest competitors meeting before the final, a separate phase is used to determine the seeding (interval start). The competitor's time from this run is used for seeding.
- Finals:
 - The finals consist of the 1/8 Finals, Quarterfinals 1/4 Finals, 1/2 Finals, Small Final and Big Final. They are held over one run.

There are four competitors in each heat. The top two competitors from each heat advance to the next phase. The two best competitors in each heat of the 1/2 Finals will advance to the Final and compete for places 1-4. The losers of the 1/2 Finals will compete in the Small Final for places 5-8.

Men and Women compete alternately in order to give them time to rest between each race.

Cycling Road - Time Trial:

- Individual start. Competitors start at given intervals to cover a distance of about 3km. The competitor with the fastest time is the winner.

BMX:

- Seeding:
 - In order to avoid the fastest competitors meeting before the final, a separate phase is used to determine the seeding (a single competitor on the track at a time). The competitor's time from this run is used for seeding.
- Finals:
 - Quarterfinals and Semifinals are held over three runs. The top four competitors from each Quarterfinal heat (group) qualify to the Semifinals. The top four competitors from each Semifinal heat (group) qualify to the final which is over one run.
 - For each run in which he/she competes, a competitor will receive points (score) equal to his/her rank (finish position) in this run.
 - The four competitors with the lowest total points earned in the runs qualify to the next stage of competition.
 - Men and Women compete alternately in order to give them time to rest and return to the start ramp.
 - A completion summary is calculated at the end of the BMX competition, on which the overall points will be attributed.

Mountain Bike - Cross-country Olympic (XCO):

- After a mass start, the competitors complete a specified number of laps of the course. The first competitor to cross the finish line is declared the winner. The course is an undulating circuit designed to produce a specific winning time, not a specific distance.

Cycling Road - Road Race:

- Mass start, the competitors complete a specified number of laps of the course. The first competitor crossing the finish line at the end of the total distance is the winner.
- Distances: approximately 40km for women and 60-80km for men with a goal time of 1h30.

Points scale:

	Cross-country Olympic	Cross-country Eliminator		Time Trial	Road Race

13	4	4	8	4	4
14	3	3	6	3	3
15	2	2	4	2	2
16	1	1	2	1	1

If a competitor withdraws (DNF) or is Disqualified (DSQ) he/she will be allowed to race in the remaining races. If there is a no-show for medical reasons, the competitor will be able to take part in the remaining races only if he can present a medical certificate approved by the appointed UCI doctor.

International Mixed Team Relay:

There are four competitors on each team, two men and two women. Legs are raced in the following order:

- Leg 1: Mountain Bike - Cross-country - women
- Leg 2: Mountain Bike - Cross-country - men
- Leg 3: Road - Road Race - men
- Leg 4: Road - Road Race - women

The relay will take place without interruption between the legs. Competitors pass the relay to their team-mates with physical contact within the dedicated area.

The first team crossing the finish line after four legs is the winner.

If any team member is marked as Did Not Finish (DNF) or Disqualified (DSQ), the same results mark will apply to the entire team, and the team cannot continue in the relay.

Differences between the UCI Junior World Championships and the Youth Olympic Games

The format used at the Youth Olympic Games is unique, with three team events, while the UCI Junior World Championships are based on individual events.

Changes since the Singapore 2010 Youth Olympic Games

In Singapore 2010 there was only one medal combined Cycling event: the Mixed Team event.

Sport Rules and Procedures

Tie Break Rules

Team:

In the case of a tie in points in the final team classification, the following procedure will be used to break the tie:

1. The number of competitions that the competitors have finished
2. The largest number of 1st places, 2nd places, etc. of the first of the team's competitors in each discipline
3. The ranking of the 2nd competitor in each team during the Road Race
4. If still tied, the teams will share the same rank

International Mixed Team Relay:

Ties remain as such, if they cannot be resolved by electronic means.

Penalties/Disqualification Rules

A competitor may be disqualified when during the event, he/she:

- Pushes or interferes (jersey pulling) with another competitor, by hand or by other means
- Obtains non-regulation assistance
- Displays indecent conduct or foul language
- Exercises acts of violence
- Goes outside the race course boundaries
- Uses radio links or other means of remote communication
- Uses a gear ratio which gives a distance covered per pedal revolution of more than 7.93 metres (only for the Road Race and Time Trial)

Protests/Appeals

Decisions of the Commissaires' Panel are considered final, and there are no protests.
