COMPETITION FORMAT AND RULES DIVING

As of 23 JUN 2014

Youth Olympic Competition Format

The Diving competition will consist of five events, four individual events and one team event:

- Men's Individual 3m Springboard
- Men's Individual 10m Platform
- Women's Individual 3m Springboard
- Women's Individual 10m Platform
- Mixed International Team

Individual Events:

Each of the four individual events consists of preliminaries and finals phases.

The number of dives and restrictions on degree of difficulty (DD) are as follows:

	Men	Women
3m Springboard Preliminaries	10 dives: - 5 with DD limit - 5 without DD limit	9 dives: - 5 with DD limit - 4 without DD limit
10m Platform Preliminaries	9 dives: - 4 with DD limit - 5 without DD limit	8 dives: - 4 with DD limit - 4 without DD limit
Finals	5 dives without DD limit	4 dives without DD limit

A diver's result is the sum of all dives performed during a phase.

The diving order in the preliminaries is determined by computerised random selection. The 12 divers with the highest preliminaries' score qualify to the finals.

The diving order in the finals is the reverse order of the preliminaries' ranking.

Team Event:

A team consists of one female and one male diver from the same or different NOCs. The teams are set by the FINA TDC.

The team event consists of a final phase only.

Each team performs six dives (three by the female diver, three by the male diver). Each diver must dive one dive with the limit of 2.0 DD, and the remaining dives without limit.

Each diver must perform at least one dive from each diving position (3m Springboard and 10m Platform)

The diving order is decided by a draw. Teams dive in three rounds. The two divers will dive in each round one after the other, in the order of their choice.

Differences between FINA World Junior Championships and the Youth Olympic Games

There are no 1m Springboard events in the Youth Olympic Games programme.

Changes since the Singapore 2010 Youth Olympic Games

The Mixed International Team event has been added.

Sport Rules and Procedures

Judging

After each dive, the judges score the dive from 0 to 10 points, in half point increments.

Individual and Team events

In both the individual and the team events a panel of seven judges will judge each dive.

The two highest and the two lowest judges scores are not considered in the calculation of a dive score. The remaining three judges' scores are added and multiplied by the degree of difficulty (DD) of the dive.

Tie Break Rules

All divers tied for the last qualifying position will advance to the finals and the divers order in the finals will be decided by a draw (coin toss or similar).

In the case of ties for any place or medal, tied divers/teams will share the same rank and multiple medals will be awarded.

Penalties / Disqualification Rules

The penalties and disqualification procedures are sanctioned by the FINA rules and IOC practice.

Protests / Appeals

Protests are possible and will be resolved according to FINA rules. Protests must be submitted to the referee in writing by the team leader, together with a deposit of CHF 100 or its equivalent, within thirty minutes of the conclusion of the respective event. All protests will be considered by the referee. The Commission will consider appeals against decisions by the referee and give recommendations to the Jury of Appeal, whose decision is final. Diving allows a verbal protest to be lodged immediately following a dive.
