COMPETITION FORMAT AND RULES FOOTBALL

As of 23 JUN 2014

Youth Olympic Competition Format

The Youth Olympic Football competition consists of Women's and Men's events. Both events have the same format and rules. Six teams are divided into two groups of three teams. Each team plays every other team in the group once (league system) with three points awarded for a win, one for a draw and zero for a defeat. The two teams ranked first and second in each group play in the semi-finals, while the teams ranked third in each group play for 5th/6th place. The semi-final winners play in the gold medal match and the losers play in the bronze medal match.

Differences between the FIFA U-17 and U-20 World Cup and the Youth Olympic Games

The number of participating teams at the FIFA U-17 and U-20 Men's World Cup is 24. The number of participating teams at the FIFA U-17 and U-20 Women's World Cup is 16. The corresponding competition formats are different.

Changes since the Singapore 2010 Youth Olympic Games

None

Sport Rules and Procedures

All matches will be played in accordance with the Laws of the Game as laid down by IFAB and published by FIFA. The FIFA Disciplinary Code, the Doping Control Regulations for FIFA Competitions and other FIFA Directives apply to the Football Tournaments.

Age categories

Only athletes aged 15 on 31 December in the year of the competition (that is, for the Nanjing 2014 Youth Olympic Games, born between 1 January 1999 and 31 December 1999) may compete.

Classification and Tie Break Rules

The ranking of each team in each group will be determined as follows

- a) Greatest number of points obtained in all group matches
- b) Goal difference in all group matches
- c) Greatest number of goals scored in all group matches

If two or more teams are equal on the basis of the above three criteria, their rankings will be determined as follows:

- d) Greatest number of points obtained in the group matches between the teams concerned
- e) Goal difference resulting from the group matches between the teams concerned
- f) Greater number of goals scored in all group matches between the teams concerned
- g) Drawing of lots by the FIFA Organising Committee

Game Description

The main object of football is to score more goals than the opponent in order to win the match. Football is played by two teams of eleven players each: One goalkeeper and ten outfield players. Each team tries to score into the opponent's goal and to prevent the other team from scoring. The ball may be passed, tapped, rolled or dribbled in any direction using the feet, as well as thrown from the sideline in the case of a throw-in. All actions are subject to the Competition Regulations and the Laws of the Game. The playing field must be a flat, rectangular pitch of natural or artificial grass. The pitch must measure 105 metres in length by 68 metres in width, measured from the inside edge of the boundary line (ref. Laws of the Game).

Each squad consists of 18 players. The team must use a goalkeeper at all times. No more than 11 players (ten outfield players and one goalkeeper) may be present on the pitch at any given time. The remaining players are substitutes and remain on the substitutes' bench. Up to three substitutions per team are allowed in each match; the relevant official must be informed of substitutions and the player to be replaced must leave the pitch before the substitute can commence playing.

The team which scores more goals is the winner. The game is drawn if both teams have scored the same number of goals or no goals at all.

Playing time is made up of two periods of 40 minutes with a half-time break of 15 minutes. In the case of a match at the knockout stages, if the game is drawn after 80 minutes, the winner is determined by kicks from the penalty spot.

Penalties / Disqualification Rules

Every player (incl. substitutes) is liable to undergo a doping test. Any player or team that refuses to undergo a doping test, falsifies the results or is found guilty of taking a banned substance will be excluded from the final competition and referred to the FIFA Disciplinary Committee. Any official who encourages or incites a player to commit any of the aforementioned infringements will also be excluded from the final competition and referred to the FIFA Disciplinary Committee.

Any player who is not able to prove his identity before the start of the final competition will be disqualified.

If a team refuses to play a match in the final competition, it will be disqualified from further participation.

Any team that fields an ineligible player will forfeit the match; the win and relevant three points will automatically be awarded to the opponent, as well as a score of at least 3-0.

Protests / Disputes

Protests

1. For the purpose of these Regulations, protests are objections of any kind related to events or matters that have a direct effect on matches, including but not limited to the state of and markings on the pitch, accessory match equipment, eligibility of players, stadium installations and footballs.
2. Unless otherwise stipulated in this article, protests must be submitted in writing to the FIFA match commissioner within two hours of the conclusion of the match in question and followed up immediately with a full written report, including a copy of the original protest, to the FIFA headquarters in Nanjing, otherwise they will be disregarded.
3. Protests regarding the eligibility of players nominated for matches must be submitted in writing to the FIFA headquarters in Nanjing no later than five days before the first match of the respective final competition and must be dealt with by the FIFA Disciplinary Committee.
4. Protests regarding the state of the pitch, its surroundings, markings or accessory items (e.g. goals, flag posts or footballs) must be made in writing to the referee before the start of the match by the head of delegation of the team lodging the protest. If the pitch's playing surface becomes unplayable during a match, the captain of the protesting team must immediately lodge a protest with the referee in the presence of the captain of the opposing team. The protests must be confirmed in writing to the FIFA match commissioner by the head of the team delegation no later than two hours after the match.
5. Protests against any incidents that occur during the course of a match must be made to the referee by the team captain immediately after the disputed incident and before play has resumed.
6. No protests may be made about the referee's decisions regarding facts connected with play, such decisions being final.
7. If the above time limits and formal requirements for lodging a protest case are not met, the protest will be disregarded either by the FIFA Organising Committee or by the FIFA Disciplinary Committee, as the case may be.
8. If an unfounded or irresponsible protest is lodged, the FIFA Disciplinary Committee may impose a fine.

Disputes

1. All disputes in connection with the Youth Olympic Football Tournaments must be promptly settled by mediation.
2. In compliance with the FIFA Statutes, Participating Member Associations may not take disputes to an ordinary court of law but to the exclusive jurisdiction of FIFA.

3. The Participating Member Associations acknowledge and accept that once all stages of appeal have been exhausted at FIFA, their sole recourse will be to the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland, unless excluded. Any such arbitration proceedings will be governed by the CAS Code of Sports-related Arbitration.
