COMPETITION FORMAT AND RULES GOLF

As of 23 JUN 2014

Youth Olympic Competition Format

There are three events at the Nanjing Youth Olympic Games Golf competition: Men's Individual Stroke Play, Women's Individual Stroke Play and Mixed Team.

All competitions are conducted in a stroke play format. There are 32 players in the Men's and Women's Individual events. 32 men and 32 women will make up the 32 teams of the Mixed Team event.

The Men's and Women's Individual events are played concurrently over three consecutive days and the Mixed Team event is then played over three consecutive days.

Individual events

Individual events are played over 54 holes (3 rounds of 18 holes).

Each player plays against every other player. Players complete each hole on the course, over three rounds and, after each round, return a score card with a gross score for each hole.

The player who has the lowest cumulative score for the three rounds is the winner.

A seeded draw is applied for the final round with the leading players teeing off last.

Mixed Team event

Teams are made up of one male and one female player from the same NOC. They will be grouped with a different team for rounds 1 and 2, and then there will be a seeded draw for round 3, with the leading teams teeing off last.

The Mixed Team event will be all stroke play as follows:

- First round: foursome (pairs of players play as partners, and each pair plays a single ball, taking alternating strokes. The IGF Event Delegate will stipulate the tees to be used by men and women.)
- Second round: four-ball (pairs of players play as partners, with each playing their own ball. The lower score of the partners is the score for the hole. If one partner fails to complete a hole, there is no penalty. The IGF Event Delegate will stipulate the tees to be used by men and women.)
- Third round: individual men and individual women.

Team event is played over 72 holes (4 rounds x18 holes).

The team score is the addition of the first and the second rounds as well as individual scores achieved by the men (third round) and women (fourth round). The team that has the lowest cumulative score for the three rounds is the winner.

Sport Rules and Procedures

Tie Break Rules

In the event of a tie for any of the medal positions after three rounds in the Individual or Mixed Team events, the medal(s) will be decided by a sudden death hole-by-hole play-off to take place immediately after completion of the final round. Any players tied for other positions will remain tied.

Penalties/Disqualification Rules

In accordance with "The Rules of Golf" as approved by The R&A and USGA together with Local Rules and Championship Conditions as drawn up by the IGF Event Delegate.

Protests / Appeals

Any protest or appeal must be made in writing to the IGF Event Delegate within fifteen minutes of the final card being returned on the competition round in which the incident occurred. The competition is deemed to have closed when the medals has been presented to the winning players/teams at the Victory Ceremony (Rules 34 - 1b applies).

Play-off Arrangements

Item: 3

Summary:

Individual Stroke Play Competitions - 21st August 2014

Details:

In the event of a tie for any of the medal positions after three rounds in the Individual competitions, the medals will be decided by a hole-by-hole play-off to take place immediately after completion of the final round. Any players tied for other positions will remain tied.

Women's Individual

In view of the fact that play will still be in progress in the men's competition, the play-off in the women's individual will commence on the 1st hole and continue to the 2nd hole, 3rd hole, etc until a result is determined.

If there are play-offs for gold and bronze medals, the bronze medal play-off will commence first.

Men's Individual

If there is a play-off for one medal only, that play-off will be played over the 18th hole until a result is determined.

If there are play-offs for gold and bronze medals, the gold medal play-off will be played over the 18th hole until a result is determined. The holes for the bronze medal play-off will be determined at the completion of the final round.

(For a full explanation of the method for deciding ties, see Condition 14 in the Conditions of Competition.)
