COMPETITION FORMAT AND RULES TRAMPOLINE GYMNASTICS

As of 23 JUN 2014

Youth Olympic Competition Format

In Trampoline Gymnastics, men and women compete separately. The competition consists of a qualification and a final, which will take place on one day for women and on another day for men, with the following format:

Qualification: 12 individual men and 12 individual women will compete. Each qualification round consists of two routines of 10 skills.

Final: The top eight women and the top eight men gymnasts from the qualification will perform a single routine of 10 skills.

Differences between the FIG Junior World Championships and the Youth Olympic Games

There are no Junior World Championships on the FIG competition programme. Junior competitions are part of the Continental Unions' programmes.

Changes since the Singapore 2010 Youth Olympic Games

The code of points has been changed.

Sport Rules and Procedures

Rules for Youth Olympic Competition

Each routine consists of 10 skills on the trampoline bed. Competitors must submit a competition card before the competition, listing the skills which they intend to perform.

The routines are judged for difficulty and for execution.

In the case of the first routine, all the skills must be performed as stated or a deduction will apply.

Competitors begin on a signal given by the Chair of the Judges' Panel. After this signal is given, the competitor must initiate the first skill within one minute; otherwise there is a deduction.

The starting order in the qualifications is decided by a draw.

In the finals the starting order is by rank, with the competitor receiving the lowest score from the qualifications starting first.

Jury Composition

There are nine judges appointed for individual competition:

Chair of Judges Panel, two Difficulty Judges, five Execution Judges and one Time of Flight Judge.

- Difficulty Jury (two judges) - calculate and agree on the final difficulty score. They check the difficulty values entered on the competition card, determine the difficulty score and display it.
- Execution Jury (five judges) - evaluate the quality of the actual execution (technical faults such as lack of form, consistency of height and control in each skill, 0.1-0.5pts; final landing (0.1-0.2 etc.). They write down their deductions from the maximum mark indicated by the Chair of Judges Panel.
- Time of Flight Judge (one judge) - the evaluation of Time of Flight mark will be done electronically. The appointed judge is responsible for controlling the electronic stopwatch.

Distribution and Calculation of Scores

The evaluation is done in tenths of a point.

Difficulty - Open score - depending on the level of difficulty included.

Execution - Each of the five judges evaluates the performances with marks from 0.00 to 10.00pts

The highest and the lowest marks of the E scores are dropped and the remaining three are added. Penalties from the maximum mark indicated by the Chair of Judges' Panel are deducted from the E scores.

Time of Flight - The total time of flight in 1/1000 of seconds is considered as the score for the Time of Flight.

Qualification 1st and 2nd routines and Final: $D + E + T - P = F$

Example for Final:

D: 11.500;

E: ~~9.2~~, 9.3, 9.4, 9.3, ~~9.5~~ = 28.000;

T: 18.455;

P: 0.200

Final score: $11.500 + 28.000 + 18.455 - 0.200 = 57.755$

Tie Break Rules

The FIG Tie breaking Rules are presented in the FIG Technical Regulations and define how to determine which gymnast should prevail in case of equality of points. In Trampoline Gymnastics, the main principles are the following:

Qualification

In case of a tie at any place, ties will be broken by the following criteria:

1. The higher sum of the final execution scores of both routines
2. The higher final score in the second routine
3. The higher execution score in the second routine
4. If the gymnasts remain tied they will share the same classification

Final

In case of a tie at any place, ties will be broken by the following criteria:

1. The higher execution score in the final routine
2. The higher time of flight score in the final routine
3. If the gymnasts remain tied they will share the same classification

Penalties / Disqualification Rules

Penalties can occur during a performance (e.g. due to exceeding time of warm-up). The penalties are deducted from the score of the next routine. Grounds for disqualification are failure to abide by the regulations, or unsportsmanlike behaviour. In such instances, the competitor would first be given a warning, and then would be disqualified if the misconduct were repeated.

Inquiries / Appeals

A written inquiry may be submitted to the jury only regarding the value of the D scores.
