COMPETITION FORMAT AND RULES HOCKEY5s

As of 23 JUN 2014

Youth Olympic Competition Format

The Youth Olympic Games Hockey5s competition consists of Men's and Women's events. Both events have the same format and rules. In the preliminary round ten teams are divided into two pools of five teams. Each team plays every other team in the pool (single round robin). To determine the final standings after the end of the preliminary round teams will play the finals and classification matches. The teams ranked first to fourth in each pool play in the quarterfinals, while the teams ranked fifth in each pool play in the classification match 9-10. The winners of the quarterfinal matches play in the semifinals and the losers play in the classification 5-8 matches. The semifinal winners play in the gold medal match and the losers play in the bronze medal match. The winners of the classification 5-8 matches play in the classification match 5-6 and the losers in the classification match 7-8.

Differences between the FIH Junior World Cup and the Youth Olympic Games

The FIH Junior World Cup is significantly different to the Youth Olympic Games. Both the men's and women's competitions are 16 team competitions (4 pools x 4 teams).

Changes since the Singapore 2010 Youth Olympic Games

The Hockey discipline with two events (Men and Women) of Outdoor Hockey (11 a side) has been removed from the programme. A new discipline Hockey5s (5 a side played on half of a full sized pitch), with two events (Men and Women), has been introduced.

Sport Rules and Procedures

Age categories

Only athletes aged from 15 to 18 on 31 December in the year of the competition (that is, for the 2014 Games, born between 1 January 1996 and 31 December 1999 may compete).

Scoring

The team scoring the most goals wins the match. At the completion of each match during pool play, three points will be awarded to the winner; one point will be awarded to each team in the event of a draw; zero points are awarded to the loser. Classification matches are single elimination.

Classification and Tie Break Rules

- Ranking in the pool will be determined by the total number of points earned. If two or more teams are tied by the points gained, ties will be broken by:
 - The highest total number of wins
 - The goal difference
 - The total number of goals scored
 - The result of the match played between the tied teams
 - If the teams remain tied a challenge shoot-out competition will be held
- If the score is tied at the end of statutory time of a classification or finals match, the winner will be determined by a challenge shoot-out competition

Match Description

A match consists of three periods of 12 minutes with an interval of two minutes between each period. The matches are played on a field which is half the size of a standard hockey field.

The match is controlled by two umpires. A card system is used to discipline players. A yellow card is a suspension for a minimum of two minutes and a red card signifies a suspension for at least the remainder of that match. Further penalties can be imposed to a red carded player by the Technical Delegate.

Of the nine players in the team only five may be on the field of play at any one time, the other four may be substituted as and when the manager deems fit and as often as the manager pleases (rolling substitution). Time is not stopped during the substitution procedure, except in the case of the substitution of a goalkeeper.

Players may only use the flat side of the stick to play the ball and, other than goalkeepers, may not use any part of their body to play the ball. Goalkeepers may use any part of their bodies to block the ball or push it away and in particular use their stick or feet to propel it.

Players may not use their body or stick to obstruct another player from attempting to play the ball. The ball may be lifted during open play providing there is no danger to other players, but may not be lifted from a free hit. A free hit is awarded against the offending player for any breach of the rules. The player taking the free hit may take it quickly by moving off with the ball (self pass). A free hit awarded inside the 11-metres area to the attacking team becomes a challenge, which is a set play with specific rules governing how it is conducted. An intentional foul by a defender inside the 11-metres area also leads to the award of a challenge.

Penalties / Disqualification Rules

- Should a player, or more than one player, fail a drug test the case will be referred to the IOC to determine what penalty should be applied
- A player that receives a red card (permanent exclusion from the rest of a match) will have the case reviewed by the Technical Delegate. The Technical Delegate will convene a hearing and receive evidence from the incident(s) that led to the award of a red card and hear the player's submission/defence. The Technical Delegate will then determine an appropriate penalty. This can range from no further action to a suspension from playing. The length of any suspension will depend on the severity of the incident that led to the red card.

The Technical Delegate may review any situation during a match, whether it is something she/he notices or is brought to his/her attention

- During the pool matches
 - (a) A team that is disqualified, refuses to play, or fails to complete a match will be deemed to have withdrawn from the tournament at that stage, and to have lost the match in question
 - (b) If a team withdraws from the tournament, any matches already played, as well as all matches scheduled to play, will be recorded as 5-0 losses, and that team shall be ranked last in the pool and in the tournament. The pool points table will be corrected accordingly.
 - (c) No goals will be awarded to any player in any matches played, or scheduled to be played, by the team that has withdrawn
- During the classification or finals matches
 - (d) A team that is disqualified, refuses to play, or fails to complete a match will be deemed to have withdrawn from the tournament at that stage, and to have lost the match in question
 - (e) The team will be ranked last in the tournament and will not receive, or will not be allowed to retain any medals or trophies to which it was entitled, or which it had already received
 - (f) All teams ranked below the team at the time of the withdrawal will be advanced by one place in the final ranking. Where appropriate after such revision of the ranking, medals or trophies will be reallocated.
 - (g) No goals will be awarded to any player in any matches played, or scheduled to be played, by the team that has withdrawn

Protests / Appeals

Disputes shall be resolved in accordance with FIH regulations and current rules. The Technical Delegate shall decide on matters before him/her in accordance with FIH regulations and the current rules.

Note:

For further information please consult: www.fih.ch
