COMPETITION FORMAT AND RULES MODERN PENTATHLON

As of 23 JUN 2014

Youth Olympic Competition Format

The programme of Modern Pentathlon at the Youth Olympic Games will comprise three events:

- Men's Individual
- Women's Individual
- Mixed International Team Relay

Each event consists of the following Modern Pentathlon disciplines: fencing ranking round, swimming, fencing final round and combined running/shooting. Pentathletes/teams achieve points in each discipline according to their performance.

The last discipline is the combined running/shooting with a handicap start based on the pentathletes'/teams' total points from the first two disciplines. Pentathletes/teams set off at intervals which correspond in seconds to the Pentathlon point's difference between themselves and the pentathlete/team in front. The pentathlete/team who crosses the finish line first wins the gold medal.

Differences between the UIPM Junior World Championships and the Youth Olympic Games

The Fencing event has been divided into two rounds, a fencing ranking round and a fencing final round. At the Youth Olympic Games relay teams are mixed gender and mixed NOC.

Changes since the Singapore 2010 Youth Olympic Games

The Fencing event has been divided into two rounds, a fencing ranking round and a fencing final round. New UIPM rules regarding ranking and scoring have been applied.

Sport Rules and Procedures

The fencing ranking round takes place on the first day. The final day consists of the following Modern Pentathlon disciplines: swimming, fencing final round and combined running/shooting.

The Mixed Relay Team takes place in one day, the fencing ranking round in the morning and the swimming, fencing final round and combined running/shooting takes place in the afternoon. Pentathletes/teams achieve points in each discipline according to their performance. In the last discipline, combined running/shooting, the pentathletes/teams will start with a handicap time based on the conversion of the total points (from the first two disciplines) into time (1 point=1 second). This means that the pentathlete/team who crosses the finish line first wins the gold medal, etc.

In each discipline of the team event, the female team member always starts first, followed by the male team member.

Teams are made up of one woman and one man, from different NOCs. The teams will be set by matching the pentathletes from two individual events according to their ranking achieved in the individual event (the first ranked woman and the last ranked man, the second ranked woman and second last ranked man, etc.).

Fencing Ranking round

Each pentathlete/team will fence against all other pentathletes/teams with an electric épée in a round robin system. The target area is the whole body.

In individual events, the pentathletes fence a bout of one hit, within a time limit of one minute. If a hit is not scored within the time, both competitors register a defeat for that bout.

The team members fence the same gender competitor under the same rules as for the individual events.

All pentathletes/teams will be ranked according to the following criteria: number of the points achieved in the ranking round, then number of victories.

In the ranking round pentathletes/teams will receive points according to the number of victories achieved with the penalty points deducted. The number of points for each victory depends on the number of pentathletes competing, according to UIPM rules.

The ranking round final standing will be used to determine the start list for the fencing final round.

Swimming

The individual swimming discipline is a 200 metres freestyle race. The team swimming discipline is a freestyle 2 x 100 metres relay race. Pentathletes/teams will be seeded into one of three heats according to the times submitted in their Sport Entry Form. Start lists for the swimming will be made during the Technical Meeting.

A pentathlete/team earns 250 MP points for a time of two minutes and thirty seconds. Every one third of a second faster or slower than the prescribed time is equal to plus or minus one points.

Fencing Final round

The pentathletes/teams will be placed in the ladder board according to their ranking round rank. The first pair will be made of two pentathletes/teams ranked last in the ranking round. The remaining pentathletes/teams will be placed alone in the next pairs in reverse order of their rank achieved in the ranking round. The winner of the ranking round will be placed in the last pair and receives 300 MP points. Each next ranked pentathlete or team receives 5 or 3 MP points less. The pentathletes/teams will compete under the same bout rules as in the ranking round. A single fencing piste is used. The winner of each bout/match will be matched against the next best ranked pentathlete/team. In this way a pentathlete/team may continue to advance as long as he/she/the team continues to win matches.

Each bout winner in the Individual Fencing Final Round receives 5 MP points per bout won and in the Mixed Relay Fencing Final Round receives 3 MP points per bout won.

At the end, if the winner of the ranking round (individual pentathlete or team) is also the winner of the final phase, 305 or 303 points will be earned.

Combined running/shooting

The pentathlete/team with the most points after two disciplines starts first in the combined running/shooting. The remaining pentathletes/teams start with time handicaps (one second for every one Modern Pentathlon points obtained after two Modern Pentathlon disciplines).

The combined running/shooting consists of a 3200m run and four shooting series. Each shooting series consists of five electronic Laser Precision targets using a laser pistol. Each shooting series is limited to fifty seconds. The pentathletes/teams will be ranked according to their arrival at the finish.

The course for individual events is composed of: 20m run; first shooting; 800m run; second shooting; 800m run; third shooting; 800m run; fourth shooting; 800m run.

The course for the team event is composed for each team member of: 20m run; first shooting; 800m run; second shooting; 800m run. The woman passes the relay to the man.

A pentathlete/team earns 500 MP points for a time of thirteen minutes twenty seconds. Every one second faster or slower than the prescribed time is equal to plus or minus one point.

Tie Break Rules

Fencing - Ranking Round: ranking

- If two or more pentathletes/teams are tied by the number of points and victories in the ranking round, the direct results among the concerned pentathletes/teams will be used to break the ties. If more than two pentathletes remain tied, a direct table system will be used.
- In case there is still a tie, the athlete/team with the better YOG PWR position will be placed higher

Fencing - Final round: bout/match tie

- Individual: If a bout of an individual event ends in a tie, the pentathlete who has the priority will be declared the winner.
- Team: If a match (after two bouts) ends in a tie, a thirty seconds overtime will be fenced between the pentathletes who are on the piste. If the match remains tied after the overtime, the team who has the priority will be declared the winner.

Final event ranking

- The first pentathlete to cross the finish line in the combined running/shooting discipline is the winner. If the winner has fewer points in total score than the next placed pentathlete, Modern Pentathlon points must be added so that their pentathlon score is the same.
- If there is a tie in the total score or it is impossible to determine who crossed the finish line first:
 - the athlete/team who has a better combined running/shooting discipline result will be ranked higher

- If there is still a tie, the pentathlete or team that was best placed in the previous discipline will be placed in the higher position
- In case there is still a tie, the athlete/team with the better YOWR position will be placed higher

Penalties / Disqualification Rules

Penalties are imposed for violations of the rules of the games, as laid down by the UIPM Competition Rules. The possible sanctions are: warnings, a start prohibition, time and point penalties, elimination and disqualification.

A disqualification can be imposed on an pentathlete due to a breach of the rules or in the case a positive doping test.

Protests / Appeals

Any pentathlete or team official has the right to protest a condition of the competition, decision or action immediately and verbally to a competition official, Referee, Range Officer or Jury Member.

Note:

According to the UIPM rules 70% bouts won corresponds to 250 Modern Pentathlon points. Each victory over or below this number is in accordance with the number of bouts. E.g. With 24 athletes participating in competition, each of them will fence 23 bouts. This means 16 victories earn 250 Modern Pentathlon points. One victory over or under this number (16) means +/- 8 Modern Pentathlon points.

Note:

According to the UIPM rules 70% bouts won corresponds to 250 Modern Pentathlon points. Each victory over or below this number is in accordance with the number of bouts. E.g. With 24 athletes participating in competition, each of them will fence 23 bouts. This means 16 victories earn 250 Modern Pentathlon points. One victory over or under this number (16) means +/- 8 Modern Pentathlon points.

Note:

According to the UIPM rules 70% bouts won corresponds to 250 Modern Pentathlon points. Each victory over or below this number is in accordance with the number of bouts. E.g. With 24 teams participating in competition, each of them will fence 46 bouts. This means 32 victories earn 250 Modern Pentathlon points. One victory over or under this number (32) means +/- 5 Modern Pentathlon points.
