COMPETITION FORMAT AND RULES ROWING

As of 23 JUN 2014

Youth Olympic Competition Format

Junior Men	Boat Classes	Junior Women
JM1x	Single Sculls	JW1x
JM2-	Pairs	JW2-

The Youth Olympic Rowing competition is organised into several phases/rounds. The number of rounds and the progression from the first round to the finals depends on the number of boats entered in a particular event.

Competition will start with the heats round, from which crews will qualify directly to the semifinals A/B round. The first three crews in each of the two semifinals A/B will qualify to the final A which will determine medals and places 4-6. Crews ranking 4-6 in the two semifinals A/B will compete in the final B to determine places 7-12. In any Pair event with less than 13 crews there is no semifinal round. In this case, competition will start with a Seeding Heats and then crews would proceed directly to the finals.

Crews in the heats which do not progress directly to the semifinals will compete in the repechage round, which offers a second chance to qualify to the semifinal A/B round. In the Single Sculls events, where there are 24 crews, unsuccessful crews from the repechages will continue competition in the semifinal C/D, from where they will qualify to the finals C/D, depending on their result, to determine places 13-18 (final C) or 19-24 (final D).

Information on how crews will proceed in the competition after each race (in which round and group) is available on the start and results lists.

Differences between the FISA Junior World Championships and the Youth Olympic Games

There are four events at the Youth Olympic Games while the World Rowing Junior Championships comprises 13 events. Additional events in the World Rowing Junior Championships are: JM2x, JM4x, JM4-, JM8+, JM4+, JW2x, JW4x, JW4-, JW8+. The World Junior Championships is raced over a 2000m course, the Youth Olympic Games is raced over a 1000m course.

Changes since the Singapore 2010 Youth Olympic Games

In a Pair event with fewer than 13 crews there is no semifinal round. In this case, competition will start with seeding heats and then crews would proceed to the heats, repechages and finals.

Sport Rules and Procedures

Race Distance

The race course is 1000m (six lanes not less than 12.5m and not more than 13.5m wide). In exceptional situations the race distance and number of lanes may be changed.

Lanes Assignment

For the heats lane assignments are decided by draw. In all subsequent rounds, the fastest crews from the previous rounds are allocated the centre lanes, with the next fastest in the next outer lane, etc. In some situations, competition may be organised in lanes 0-5 or lanes 2-7, subject to weather conditions or other factors. In the case of unfair weather conditions lanes may be re-assigned to allocate the fastest crews from the previous rounds to the "better" lanes, which places crews with similar performances side by side.

Crew Changes

Up to half of the number of rowers in a crew may be replaced. The changes must be communicated in writing to the FISA Regatta Office at least one hour before the first heat of the event. A crew which has already raced in the heat of its event may not make changes in the crew, except in the case of a serious illness or injury. For the Single Sculls events, a rower who is entered may only be replaced before a heat in case of illness or injury. No replacements may be made in the Single Sculls event after a heat has been rowed.

Dead heat Rules & Procedures

If a dead heat between crews occurs in any round before the finals, and if only one of the crews will progress into the next round, then there must be a re-row between the crews involved in the dead heat. If a dead heat between crews occurs in a final and the tied placing is for a medal position then additional medals will be awarded.

Penalties / Disqualification Rules

The Board of the Jury may impose the following penalties on rowers, coxswains or persons accompanying them: reprimand, warning (yellow card, applying to the next round in which the crew competes), relegation to last place in that race (where specifically provided in the Rules), exclusion (red card) (from all the rounds of the event in question), disqualification (from all events in the regatta) or any other appropriate measure in order to ensure the fairness of the competition.

Exclusion

Crews having two yellow cards or causing two false starts in the same race shall be excluded. Crews interfering with their opponents may be excluded by the umpire, but, in principle, only after a warning has been given.

Objections

A crew claiming that its race has been improperly run may make an objection to the umpire immediately after the finish of the race, except when prevented from doing so by unavoidable circumstances. A crew excluded at the start may make an objection to the umpire at that time.

Protests

A crew whose objection has been rejected or crews affected by the acceptance of the objection may lodge a protest in writing to the Board of the Jury not later than one hour after the umpire has communicated his decision regarding the objection. The Board of the Jury shall decide if the protest was justified.
