Differences between the FINA World Junior Championships and the Youth Olympic Games

There are no differences in the format and rules. The FINA World Junior Swimming Championships field contains more competitors, has several longer distance events and does not have mixed gender relays.

Changes since the Singapore 2010 Youth Olympic Games

The 800m Freestyle has been added for both genders.

Sport Rules and Procedures

The Swimming competitions at the Nanjing 2014 Youth Olympic Games will be held in accordance with the rules of the Fédération Internationale de Natation (FINA) Handbook 2009-2013 and the Olympic Charter which is in force at the time of the competition.

Pursuant to the Olympic Charter, FINA assumes the responsibility for the technical control and direction of its sport at the Youth Olympic Games.

The Technical Officials for the competitions will be the FINA Bureau (Jury of Appeal), the FINA TSC Swimming Commission and judges from FINA affiliated federations.

A commission shall be appointed consisting of the Swimming Technical Delegate and the Chairman and Honorary Secretary of the Technical Swimming Committee.

Tie Break Rules

Any ties that occur for an advancing position will be broken by a swim off.

Penalties / Disqualification Rules

The most common reasons for individual disqualification are false starts and illegal touches or kicks in breaststroke or butterfly. In relays, a common infraction is an early start during the exchange as detected by timing equipment.

Protests / Appeals

Protests are rarely filed against judgements of fact. The Jury of Appeal is the FINA Bureau.
