COMPETITION FORMAT AND RULES TRIATHLON

As of 23 JUN 2014

Youth Olympic Competition Format

There are three events in the Youth Olympic Games Triathlon programme: Men, Women and the 4x Mixed Relay with the following format:

	Swim	Bike	Run
Men	750m	20km	5km
Women	750m	20km	5km
4x Mixed Relay	250m	6.6km	1.8km

The competition format for individual events includes a 750m swim in open water (1 lap course), a 20km bike (4 laps course), and a 5km run (2 laps course); for the 4x Mixed Relay event, a 250m swim in open water (1 lap course), a 6.6km bike (1 lap course), and a 1.8km run (1 lap course).

Pontoon positions will be assigned randomly for the individual and team events, a minimum of 24 hours before competition.

The events are continuous with no breaks in competition. The first athlete/team to complete the course is declared the winner.

Expected duration of competitions:

Individual events: swim - approximately 12 minutes, bike - approximately 35 minutes, run - approximately 20 minutes. The entire duration of the events with two transitions is usually about 70 minutes.

Team event - for each team member: swim - approximately 5 minutes, bike - approximately 12 minutes, run - approximately 7 minutes. The entire duration of the event with two transitions and four athletes is usually about 75 minutes.

The maximum number of athletes competing in the Youth Olympic Triathlon individual competition is 64, with 32 men and 32 women. These athletes will make up the 16 teams in the 4x Mixed Relay.

Teams are constituted by continent (Africa, Americas, Asia, Europe, Oceania and World). There may be several teams per continent, i.e. Europe 1, Europe 2, etc. Each team is composed of two women and two men. Each athlete competes all three segments (swim, bike, run) before the relay is passed on to the next team member.

Composition of teams is based on the results of the individual competitions. Team 1 will be composed of the first ranked woman, first ranked man, second ranked woman and second ranked man for that continent, Team 2 = W3+M3+W4+M4, etc. The remaining athletes will go to a "World Team".

Start order within each team will be announced at the briefing to take place two days before the relay competition.

Differences between the ITU Junior World Championships and the Youth Olympic Games

The qualification system is different at the Youth Olympic Games, where the athlete's quota is limited to one competitor per gender, per event and NOC.

The 4x Mixed Relay is part of the Junior Continental Championships programme.

Changes since the Singapore 2010 Youth Olympic Games

None

Sport Rules and Procedures

Tie Break Rules

In the event that the Event Delegate cannot decide on a tie involving two or more athletes using all means available to him, the tie will remain and the athletes share the same rank

Penalties / Disqualification Rules

The most common reasons for penalisation are: during the swim segment - shortcutting the course and violence; during the bike segment - lapping when the lapped athlete is removed from the race.

Protests / Appeals

A protest is considered if it is submitted in writing no more than 15 minutes after official posting of the results.
