COMPETITION FORMAT AND RULES TABLE TENNIS

As of 23 JUN 2014

Youth Olympic Competition Format

The Youth Olympic competition will consist of three events: men's singles, women's singles, and mixed international team. In all events there will be a maximum of 32 entries. The maximum number of athletes per NOC will be one man and one woman.

Individual Events - Singles:

Each singles event consists of the following stages:

- The first stage is a round robin format (eight groups of up to four players, each player in a group plays all other players in that group). The top two players from each group will qualify to the main draw and the remaining player(s) advance to the consolation draw. Matches are played to three of five games. Games are played to 11 points with at least two points difference. The players gain 2 match points for a win, 1 for a loss in a completed match and 0 for a loss in an unplayed or unfinished match, i.e. in case of disqualification (DSQ) or walkover (W/O).
- The second stage (main and consolation draw) is a direct elimination format, and consists of: rounds of 1/8, quarterfinals, semifinals and final. Matches are played to four of seven games in the main draw and to three of five games in the consolation draw. Games are played to 11 points with at least two points difference.
 - The main draw finals (gold medal and bronze medal match) will decide ranks 1 to 4. The four quarterfinals losers will be ranked 5th, and the eight round of 1/8 losers will be ranked 9th.
 - The winner of the consolation draw final will be ranked 17th and the loser will be ranked 18th. The semifinals losers will be ranked 19th. The four quarterfinals losers will be ranked 21st. The remaining players will be ranked 25th.

Team Event:

A "match-up" in a team event at the Youth Olympic Games is called a team match. Each team match consists of three matches. The first match is a singles match between the women. The second match is a singles match between the men. After a five minute break, the third match is a mixed doubles match. Each match consists of the best out of five games to at least eleven points, in which the winner must win by at least two points. Teams gain 2 match points for a win, 1 for a loss in a completed match and 0 for a loss in an unplayed or unfinished match, i.e. in case of disqualification (DSQ) or walkover (W/O);

If there are more than 24 teams, the stages will be as follows:

- The first stage is a round robin format (eight groups of up to four teams, each team in a group plays all other teams in that group). The top two teams from each group will qualify to the main draw and the remaining team(s) advance to the consolation draw. All three matches of each team match will be played.
- The second stage (main and consolation draw) is a direct elimination format, and consists of round 1, round 2 (consolation draw) and round of 1/8, quarterfinals, semifinals and finals (main draw). Matches will finish as soon as one team wins two matches.
 - The main draw finals (gold medal and bronze medal match) will decide ranks 1 to 4. The four quarterfinals losers will be ranked 5th, and the eight round of 1/8 losers will be ranked 9th.
 - The winners of round 1 proceed to round 2. The four winners of round 2 of the consolation draw will be ranked 17th and the losers will be ranked 21st. The losers of round 1 will be ranked 25th.

If there are fewer than 24 teams, the stages will be as follows:

- The first stage is a round robin format (four groups of up to six teams, each team in a group plays all other teams in that group). The top two teams from each group will qualify to the main draw. The remaining teams will receive final ranking based on their team ranking in their group. For example, teams ranked third in the group will be

ranked 9th in the final ranking, fourth ranked teams will be ranked 13th, fifth ranked teams will be ranked 17th and the remaining teams will be ranked 21st.

- The second stage (main draw) is a direct elimination format, and consists of: quarterfinals, semifinals and finals (bronze medal and gold medal team matches). The quarterfinals losers will be ranked 5th. Matches will finish as soon as one team wins two matches.

Differences between the ITTF Junior World Championships and the Youth Olympic Games

There are no Mixed International Teams events in the ITTF Junior World Championships

Changes since the Singapore 2010 Youth Olympic Games

The names of the competition phases have changed. "First Stage", "Consolation Draw" and "Main Draw" are the names used for Nanjing for both the singles and the team event instead of the terms "First Stage", "Second Stage", "Second Stage B" and "Third Stage" used in Singapore.

The singles event consists of three phases (first stage, consolation draw and main draw) of which only the first is a round robin group format instead of four stages (first, second, second B and third) of which the first three were round robin group formats in Singapore.

For the team event (more than 24 teams), the consolation draw (ranking 17-25) consists of round of 1/8, quarterfinals, semifinals and final while in Singapore the respective phase (second stage B) consisted of two rounds of direct elimination matches.

Sport Rules and Procedures

Scoring points

A player scores a point:

- If the opponent fails to make a correct service.
- If the opponent fails to make a correct return.
- If, after he/she has made a service or a return, the ball touches anything other than the net assembly before being struck by the opponent.
- If the ball passes over his/her court or beyond the end line without touching his/her court, after being struck by the opponent.
- If the opponent obstructs the ball.
- If the opponent strikes the ball twice successively.
- If the opponent strikes the ball with a side of the racket blade whose surface does not comply with regulations.
- If the opponent, or anything the opponent wears or carries, moves the upper playing surface of the table.
- If the opponent, or anything the opponent wears or carries, touches the net assembly.
- If the opponent's free hand touches the playing surface.
- If a doubles opponent strikes the ball out of the sequence established by the first server and first receiver.
- As provided by the expedite system (see below).

The service

The service starts with the ball resting freely on the open palm of the server's stationary free hand; the server throws the ball near vertically upwards, without imparting spin, so that it rises at least 16 cm after leaving the palm of the free hand and then falls without touching anything before being struck. As the ball is falling the server must strike it so that it first touches the server's court, passes over or around the net assembly, and then touches directly the receiver's court. In doubles, the ball must touch successively the right half of the server's and the receiver's court.

From the start of the service until the ball is struck by the server's racket, the ball must be visible to the opponent and not hidden by any part of the player's body, or by their clothing, or by their doubles partner; in addition, the ball must be above the level of the playing surface and behind the server's end line. It is the responsibility of the player to serve in such a way so that the umpire or the assistant umpire can verify compliance with the requirements of a good serve. Otherwise, the server is penalised (e.g. the receiver is awarded the point). If the umpire is doubtful of the legality of a

YOG
DNA

service he may, on the first occasion in a match, declare a let and warn the server. Any subsequent service of doubtful legality of that player or his/her doubles partner will result in a point to the receiver.

The return

A player must strike the ball (after a service or return) so that it passes over or around the net assembly and touches the opponent's court - either directly or after touching the net assembly.

The expedite system

The expedite system is introduced if a game has not finished after 10 minutes of play (or at any earlier time at the request of both players or pairs). This system cannot be used after both players or pairs have scored nine points.

If the 10-minute time period elapses while the ball is still in play, the umpire interrupts play by calling "time". The match resumes with service going to the player who was serving when the rally was interrupted. Otherwise, if at the lapse of 10 minutes the ball is not in play, play shall resume with service by the player who received in the preceding rally.

Under the expedite system, each player serves for 1 point in turn until the end of game. If the receiving player, or pair, makes 13 returns, the receiver scores one point. Once introduced, the expedite system remains in operation until the end of the match.

Tie Break Rules

The players/teams within a group will be ranked according to the number of ranking points (two ranking points for a win and one ranking point for a loss). If two or more players/teams are tied with the same number of ranking points, the ties will be broken as follows:

1. Results of the match(es)/team match(es) played among the tied players/teams:

- Ranking points
- Match ratio
- Game ratio
- Points ratio

2. If still tied, results of all the matches/team matches played:

- Match ratio
- Game ratio
- Points ratio

3. If still tied, the ties will be broken by a draw.

- Match ratio is the total number of matches won by the player/team divided by the total number of matches won by the opponent in the matches/team matches that are being considered.
- Game ratio is the total number of games won by the player/team divided by the total number of games won by the opponent in the matches/team matches that are being considered.
- Point ratio is the total number of game points won by the player/team divided by the total number of game points won by opponents in the matches/team matches that are being considered.

Penalties / Disqualification Rules

The referee has the power to disqualify a player or a team from a match, an event or a competition for serious, unfair or offensive behaviour.

Protests / Appeals

Appeals will be decided in accordance with the ITTF Regulations for International Competitions.

Note:
