COMPETITION FORMAT AND RULES ARCHERY

As of 23 JUN 2014

Youth Olympic Competition Format

There are three events in the Archery competition at the Youth Olympic Games: Men's Recurve Individual, Women's Recurve Individual and Mixed International Team.

The competition consists of two phases: Ranking Round and the Olympic Round.

The Ranking Round (FITA 70m round) takes place first and will seed the athletes for the Olympic Round. There will be one FITA 70m round for Men and one for Women.

The Olympic Round has a direct elimination format. The individuals and teams are placed in the brackets according to their ranking round score (1st vs 32nd, 2nd vs 31st, etc.). The Olympic Round consists of the elimination rounds (1/16th, 1/8th) and final rounds (quarterfinals, semifinals, finals for bronze medal and gold medal) for both individual and team events.

The 32 men and the 32 women from the Ranking Round are placed in the 1/16th round according to their ranking achieved in the Ranking Round.

A mixed team consists of two archers of different gender. They may be from different or the same NOCs. The athletes are teamed up according to the ranking of each gender in the ranking round, rank 1 in the men's ranking round will pair with rank 32 from the women's ranking round, rank 2 from the men's ranking round with rank 31 from the women's ranking round, etc. The teams ranking round score will be the sum of the scores of each team member achieved in the ranking round. Teams are ranked according to the team ranking round score and then placed in the 1/16th round. Two athletes from the same NOC may end up on the same team, and this is permitted (no change of pairing). The WA will name the teams. The team naming policy will be defined by the WA and the IOC.

Differences between the WA Youth World Championships and the Youth Olympic Games

The main difference is that the number of participants in the WA Youth World Championships is higher. Therefore a qualifying round is shot in order to determine who enters the elimination round. During the WA Youth World Championships archers shoot the FITA Round which is shot at four distances (90m, 70m, 50m and 30m for men and 70m, 60m, 50m and 30m for women). During the Youth Olympic Games the only shooting distance is 70m.

Sport Rules and Procedures

The archers shoot the 122cm target face with 10 points. The target face is divided into 10 concentric rings each awarded a score between 1 and 10 with the innermost ring worth 10 points.

All archers will shoot 12 ends of 6 arrows to complete the ranking round.

For the individual Olympic Round, archers will shoot a series of matches, each match consisting of the best of 5 sets of 3 arrows in the elimination and final rounds. In each set an archer can score a maximum of 30 points. The archer with the highest score of that set is awarded 2 set points. In case of a tied score, both archers are awarded 1 set point. As soon as an archer reaches 6 set points (6 of 10 possible) he/she is declared the winner and advances to the next round. The higher placed archer in the ranking round will decide who shoots first in the first set of each match. The archer with the lowest set score will shoot first in each following set. If the scores are tied, the archer who shot first in the first set, will shoot first.

In individual matches, archers shoot alternately 20 seconds per arrow.

In the team Olympic Round, the team shoots a series of matches, each match consisting of the best of 4 sets of 4 arrows (2 arrows per team member) in all rounds. After every set, the trailing team shoots first. In each set a team can score a maximum of 40 points. The team with the highest score of that set is awarded 2 points. In case of a tied score,

both teams are awarded 1 point. As soon as a team reaches 5 set points (5 of 8 possible) it is declared winner and advances to the next round.

The mixed team has 80 seconds to shoot 4 arrows in alternate shooting format. In alternate shooting, the alternation between the teams will take place after both of the team members have shot one arrow. The archers of the mixed team are free to choose if the man or the woman shoots first and can change without restrictions as long as they both shoot 1 arrow per alternation.

Tie Break Rules

Ranking Round

Tie break for individuals and team (totals of both athletes):

- Greatest number of 10's (including inner 10's);
- Greatest number of X's (inner 10's);
- After this - for athletes/teams still tied, a disk toss will decide the position (computerized disk toss may be used)

Olympic Round

Tie break for individuals:

A single arrow will be shot by each athlete and the athlete with the highest scoring arrow will win. If still tied, the athlete with the arrow closest to the centre will win.

If athletes are still tied the above process will be repeated until the ties are broken.

Tie break for teams:

A single arrow will be shot by each team member. After the first two tie breaking arrows are shot, the team with the highest score will win. If still tied, the team with the single arrow closest to the centre will win. If tied, the second arrow closest to the centre will determine the winner.

If teams are still tied, the above process will be repeated until the ties are broken.

Final Ranking

Tie break for individual and mixed teams:

The process for ranking the losers with the same score (in the same round) is as follows: the athletes/teams are co-ranked at the same position and the subsequent place will take into consideration the number of tied athletes/teams. For positions 5 to 8, individuals and teams are ranked first by set points then total arrow score.

Penalties / Disqualification Rules

There is a set of penalties for infractions; the most common ones are:

- Loss of the value of any arrow shot after the allocated time;
- Return behind the waiting line in case of incorrect relay in the team event

Protests / Appeals

With the exception of the value of a judged arrow, a participant can appeal against any unfair issue that has not followed the WA rules or are not clearly defined in the rules and the decision or action was an interpretation or decision of the judge.
